Mrs. Sink provided the board with a packet that outlined the ins and outs of applying for the demolition grant. She noted that there is a lot of groundwork that would need to be done in advance, which would keep us from applying this year. She stated that the board could use our remaining hours with MRPC this year to start some of the groundwork. She said this grant usually takes around 40 hours of her time. She made mention that the city would have to identify every property that meets the "dangerous" building guidelines, and that Mr. Cantrell can help us identify those buildings. This is a voluntary participation grant.
